

## Resolving Tangled Titles

If you live in a house that you cannot prove ownership for because your name does not appear on the deed, you may have a tangled title.

This often happens if:

- A relative owned the house you live in but has passed away
- You live alone in your house, but the original owner has moved or passed away
- You lease or rent-to-own your house and have paid all or some of the purchase price, but your name is not on the deed
